

Harmony & Darryl

Unforgettable father and daughter duo

When Tina Arena compares an 11-year-old singer to Barbra Streisand, chances are she's worth listening to!

Performing with her dad Darryl Lovegrove - best known for his award-winning portrayal of Jesus in *Jesus Christ Superstar* and for his co-creation of the world's most popular entertainment sensation, *The Three Waiters* - Harmony Lovegrove has collected awards of her own, more than a few standing ovations and numerous glowing testimonials from some of the biggest names in the business!

Able to sing almost any musical genre with ease, this father and daughter duo entertains audiences with a diverse repertoire including opera, Broadway blockbusters and contemporary songs.

Their duet highlights include 'The Prayer', 'Time to Say Goodbye' and the classic 'Somewhere' from *West Side Story*. Harmony also performs solo renditions of 'What the World Needs Now' by Burt Bacharach, 'The Greatest Love of All' by Whitney Houston and Darryl performs selections from *Jesus Christ Superstar*, *Phantom of the Opera*, *Aspects of Love* and operatic arias such as 'Nessun Dorma'.

Darryl is a seasoned and successful stage performer, having had leading roles in many hit musicals, and Harmony is already following in his steps. She was honoured to be the only child to perform at Sydney's State Theatre with some of Australia's biggest stars in 'Dueting it for the Kids' - a fundraiser for the Australian Children's Music Foundation. She has won a number of Eisteddfod Awards and in 2011 was the youngest featured vocalist to appear in the School Spectacular at Sydney's Entertainment Centre.

Every now and again, an act comes along that is genuinely unique. Darryl and Harmony bring their own brand of magic that often moves audiences to tears, usually ends with a standing ovation but *always* leaves an audience wanting ... an encore!
