## *Broadcaster, MC & Auctioneer*

Mark Warren is a dynamic broadcaster, MC and Auctioneer. He is also a talented voice actor and the head of Warren Media, a multi-skilled creative media agency.

Highly professional, full of energy and with a tonne of empathy, Mark has helped thousands of charity and community organisations to raise much needed funds to support their work. The money raised on the back of his gavel well and truly runs into the millions... he has even raised \$10,000 by auctioning a colonoscopy for The Gut Foundation! No surprise then that he was appointed as an Australia Day Ambassador in 2015 and again in 2016.

Mark's love for running a good auction extends from charity into real estate. In early 2000, he completed his certificate of registration in Real Estate along with conducting the art of listing and selling property. Mark holds his Real Estate and Auctioneer's licence and is always working and learning to fine tune his natural talent.

The son of Australian icon, Ray 'Rabbits' Warren OAM, Mark has broadcast some of the biggest fights in the world for Australian television and radio. He covered eight Kostya Tszyu fights in America for a host of Australian Radio Networks; introduced Mike Tyson and his one man show in Sydney and superstar Sugar Ray Leonard to a packed audience at The Westin Hotel. Mark hosted Australia's first national television boxing programme, SKY KO.

In 2015, Mark was at centre ring for the Inaugural Footy Show Fight Night for the first free to air boxing in over twenty-five years, which featured 'The GTrain' Paul Gallen, 'SBW' Sonny Bill Williams, Liam Messam, Willis 'The Hitman' Meehan and Bilal Akkawy.

In Tokyo he hosted and covered a Footy Show Fight Night Special and the journey of Billy 'The Kid' Dib as he chased The WBC Super Featherweight title. He also hosted the Footy Show Fight Night's Evening with Jeff Fenech featuring Wild Will Tomlinson, Jai Opetaiia and 'Big Daddy' Lucas Browne; and was the MC for the Footy Show's last instalment in Brisbane, which was broadcast live around Australia.

Mark has MC'd and / or auctioneered at fund raisers for Davey Browne, a young boxer tragically cut down in the prime of his life, for Ronald McDonald House; Save our Sons; and Duchenne Muscular Dystrophy; Schizophrenia Research Institute; San Miguel Boys Town; SIDS and the Men of League Foundation.
