Client Testimonials

Robyn has equipped us with tools to change the way we think. None of this “think positively and you can do anything stuff.” Robyn has the ability to get to her audience’s souls. She showed us how we can empower ourselves to enjoy our work, deal with conflict and enhance our lives, both inside and outside work. The investment we made, in times of limited funding, has been the best value for money we could have wished for. The feedback from staff has been overwhelming. We expect this will positively accelerate the cultural change that our leadership team has initiated.

The response to Robyn's presentation at our AMP Customer Service leadership day was rapturous. Her authenticity, real life examples and ability to 'get' where the audience is at, makes her a high value speaker. She has a love of life that is highly infectious. She moved us, inspired us and entertained us. She was the most consistently highly rated presenter on our evaluation sheet.

AMP

Rating - Excellent! Robyn was fantastic. The beauty of her presentation is in its simplicity. She doesn't use complicated theories and models to energise and refocus the group, just stories and reflections that bring your focus back to the important things in work and life. I've never seen a speaker elicit such a range of emotions from an audience – from tears to laughter and everything in between. Many people in the group commented that it was exactly what they needed to hear.

Bristol-Myers Squibb

Excellent. Without a doubt Robyn is the best public speaker I've heard in years!! Robyn's ability to link with her audience, her use of humour, the ability to tap into people's emotions and her unique style create the very definition of “Edutainment”. Fun, humorous, touching, provocative, stimulating!

Client Testimonials

Thank you for your “Extraordinary” and captivating presentation on Communication and “living life”. You moved the room from tears to laughter and all were enthralled with your messages ... we’ve never had a Total Rating of 5 before!

National Institute of Chartered Accountants Congress

Robyn was outstanding. She showed an extraordinary ability to totally capture her audience, which comprised of farming men and women aged from 30 to 75 plus teenage children. These drought affected families were totally inspired and entertained by Robyn. There is no doubt laughter is the best medicine and Robyn is a brilliant Dr. So many came to her afterwards and to me saying they had changed their attitude and now had renewed energy to go on coping with the drought. We have never had such positive feedback from an audience and there is much enthusiasm from other groups to have her back to other areas nearby. The best drought assistance ever offered to farmers.

NSW Agriculture

Excellent! 11 out of 10! Extraordinary!!!! Robyn has true potential to make motivational speakers redundant. She is marvellous at what she does. Robyn hit all the right notes with our audience ... Not just your normal speaker she captivated every single delegate and then held them firmly (and willingly) in the palm of her hand for over 1 hour. She made our delegates laugh, cry, re-evaluate their lives, refocus on what’s important, and the best part is that she left a lasting impression on everyone. This alone is a remarkable difference between Robyn and other speakers - she actually achieved a CUT-THROUGH I never would have thought possible if I hadn’t experienced it first-hand. I am so glad we placed her as final speaker for the event as she just WOWED everyone.
