

## The Leading Men

---

### *Star-studded, show-stopping entertainment*

The Leading Men is Australia's premier collection of exceptionally talented stars of stage and screen.

These charming, charismatic and award-winning performers have each played 'Leading Men' in the musicals we all know and love. From Beauty and the Beast to Wicked, these guys have played them all, won industry awards and are considered among the very best that the world of musical theatre has to offer.

The Leading Men are: Ian Stenlake, Scott Irwin, Derek Metzger, Rodney Dobson, David Dixon, Darryl Lovegrove, James Lee, Wayne Scott Kermond and Mitchell Butel.

Hand-picked from an elite group of high-calibre, seasoned performers, The Leading Men have impressive resumes and all are recipients of prestigious industry awards. The stellar line up delivers corporate entertainment like no other. Every song is a showstopper. The show is a sophisticated, powerful and often hilarious experience.

The show features one Broadway showstopper after another from the world's most popular musicals including Les Miserables, Phantom of the Opera, Jesus Christ Superstar, Beauty & the Beast, Joseph & the Amazing Technicolour Dreamcoat, Guys 'n Dolls, Spamalot, A Chorus Line, Singing in the Rain, Wicked and Hairspray.

Sophistication all the way from their white tuxedo jackets to the red roses on their lapels, the boys have been compared to suave European opera act Il Divo. In keeping with that style, one of the highlights of the show is a medley of hits celebrating Australia from 'I Still Call Australia Home' and 'Waltzing Matilda' to ACDC's 'Long way to the top if you want to Rock and Roll' and Jimmy Barnes' 'Working Class Man' - all in Italian!

Finalists in the "Entertainer of the Year" category at the prestigious "Australian Event Awards" 2011, The Leading Men have performed hundreds of shows for royalty, heads of state and celebrities from all industries and left them all wanting more!

Book The Leading Men for your next corporate, charity, gala, wedding or private event and your audience will be thrilled and entertained by some of the biggest names in Australian musical theatre.

The show can be further enhanced with the inclusion of an elegant, beautiful and equally vocally talented Leading Lady. Adding grace and elegance, the presence of a female star allows for the inclusion of some of musical theatre's most loved duets from 'All I Ask of You' to 'You're the One That I Want'.
