- *Queensland Training Awards*

“ As producer of the Qantas Australian Tourism Awards, I have worked with many presenters over the past 7 years. On March 2nd 2012, Zoe Naylor co presented the live event. Zoe is easily one of the most natural and professional presenters I have worked with. From the outset Zoe embodied the core values of the event - thoughtful and experienced input into script, along with excellent management of stakeholders on the night. I hope that we will have the opportunity to work together again.

- Wonderment

“ Zoe Naylor MC'd all three of the recent Corporate PA Summits, held in Brisbane, Melbourne in Sydney. Zoe is an extremely professional chairperson, with an incredible energy and ability to immediately connect with her audience. Her ability to control the program, and bring the best out of all of the speakers, is extremely impressive. We received over 500 feedback forms from attendees at the summit, and Zoe scored 5/5 almost exclusively, with attendees clearly appreciating her ability to think on her feet, ask probing questions, and to bring a level of professionalism to the events that reflects on everyone in attendance. We could not recommend Zoe highly enough, and look forward to working with her again in the future.
