A comedian, writer, and presenter best known for her whip-smart punchlines and regular appearances on Network Ten's 'Have You Been Paying Attention?'

Alex Ward has shared her culinary creations on her Instagram show 'Ready Steady Wardy', where you might have seen her pair watermelon with gummy bears—a recipe she described as turning out 'fine'.

Alex has been gigging as a stand-up comedian since 2014 and is a regular performer at all the major Comedy and Fringe Festivals across Australia. Away from the stage, Alex has written for TV shows The Project, Monday's Experts and Guy Montgomery's Guy Mont Spelling Bee.

Alex's charming quick wit comedy style has made her a popular choice among various corporate organisations such as Lululemon, MCIA and Virgin.
