

Andy Nunn

Mentalist, Speaker, Mind Shifter

A mindset and performance speaker who reveals how to rewire the way you think, adapt under pressure, and thrive in a world that never stops changing. A professional mentalist with more than 20 years on stage, Andy helps people master their mindset, communicate with impact, and take smarter risks.

Andy Nunn is a sought-after keynote speaker for leading organisations including Google, Amazon, SAP, Sony, and Ralph Lauren — delivering interactive sessions that spark self-awareness, connection, and change.

Andy's reputation grew from his acclaimed TEDx talk, *"Seeing Is Believing,"* which explored how perception shapes trust, decisions, and performance. His keynotes aren't lectures — they're immersive experiences where audiences don't just learn about mindset and bias, they feel them in real time.

Blending neuroscience, psychology, and performance, Andy reveals how small shifts in perception can create powerful results in leadership, communication, and culture. Whether speaking on mindset, communication, or risk, he leaves audiences entertained, challenged, and inspired to think differently.

Described as *"a speaker who makes insight tangible,"* Andy combines warmth, intelligence, and

energy to help people master the one thing that drives every result — how they think.

Testimonials

“ Andy Nunn’s performance was nothing short of extraordinary. His performance not only entertained but also provoked thought and reflection, complementing our theme in a powerful and memorable way. Andy is a true master of his craft - thank you for an unforgettable experience!

- **Ralph Lauren**

“ Andy was fantastic! Well prepared, easy to work with, and delivered exactly what he said he would. Left the crowd stunned and amazed, and delivered his message concisely and with a lot of fun to keep people engaged.
