Client testimonials

“ We recently returned home from our Annual Conference on the Sunshine Coast. Michael Pope was our MC for the entire three days and nights of Conference, and his contribution helped to make it our best one yet. Michael was dynamic, entertaining and professional. He worked closely with the venue's AV team to ensure the visuals ran correctly and our conference sessions ran perfectly on time. This was particularly important on the very full middle day, but Michael moved things along smoothly, and with flair! Michael is incredibly gifted when it comes to getting the audience revved up and excited. He used magic, audience participation and some great one liners to get everyone involved, and had the whole group laughing and cheering together. I would not hesitate to recommend Michael to anyone seeking an outstanding MC, someone to add a little something to your next event. However, I don't want him to get too swamped, we want him back for next year's Conference too!

“ Michael is such a highly talented and skilful MC who engages audiences in a way that he puts energy and buzz into any audience. He goes above and beyond in his preparation and research of the client, their audience and key messages / themes. Michael is also able to "wing it" and ad lib when necessary due to technical issues or last minute changes to agendas or presenters which is a highly valuable asset to any Producer in the live events space.

“ I would like to take the opportunity to thank you for the wonderful job you have done in hosting a variety of Master Builder’s events over the years. The entertainment that you have provided our members, both at regional and state events, where numbers range from 150 to 600 has been outstanding ... your brilliant wit and wide repertoire has charmed the various audiences that have attended these events. From pre-function to stumps, you are always ‘switched on’. Our guests speak highly of you well after the event.

“ We all had an amazing time at our 2013 La Porchetta Annual Conference in Pinnacle Valley resort. Michael Pope was the MC for the event. Michael was very highly rated in our feedback forms and we all enjoyed his style and surprises throughout the two days. Michael is personable, down to earth and a pleasure to work with. Michael’s delivery techniques were excellent. He got to know his audience very quickly and tailored his delivery to suit us. He was flexible and happy to amend the agenda as required. I would most definitely recommend Michael to other organisations, his card tricks are also amazing.

“ Thank you so much for a truly funny, witty and entertaining evening. Honestly, the feedback from the staff and management alike has been terrific. The prizes and funny activities put everyone in a great mood. You kept the night flowing and I was floored by your quick wit and constant funny gags. Thanks to your professionalism, everything just fell into place.

- The Franklin Printing Group

“ Michael Pope worked like a charm, especially the ‘roving reporter’ segment he did on the Vision truck with our Marketing Manager. It is hard to keep the audience's attention when it comes to product presentations, but Michael made it happen. I was very impressed with his professionalism and involvement in the night as if it was his own. Our mining manager said, "it sounded as if he knew what he was talking about!

- Mack Trucks Australia

“ Thank you Michael for contributing to what was another outstanding conference at Hamilton Island. As MC your ability to manage the agenda with a perfect blend of humour made for a memorable conference for both the delegates and the plenary and break out presenters.

Should you wish to ever promote the plenary session you delivered on Presenting Skills, I would gladly offer myself as a referee. The content of the presentation was outstanding and the talk amongst the room afterwards was that it will surely help our franchisees to run more effective seminars and customer meetings.

- Mortgage Choice

“ It was such a huge pleasure working with you Michael. Despite all the ongoing changes you remained calm, accommodating and on the ball. Nothing was ever a problem...a talent and attitude that made my role so much easier - THANK YOU!

- LG Roadshow

“ From the time we sat down there were only brief moments that I saw anyone in the room without a smile on their face. We had a huge amount of comments about you, from “is that Paul Robinson from Neighbours” to “how can I book him for our next event.” It was a pleasure working with you and your experience and advice on our run sheet assisted in making the night a great success. We will definitely consider you for future events and I look forward to working with you again.
