The multi talented athlete has represented Australia in 4 sports. alpine skiing, athletics, track cycling and rowing.

## - ASFA - The Voice of Super

To say that Jessica is inspiring is to understate the truth. She is vibrant, entertaining, motivating, inspiring and so much more. Our audience was enraptured by her story and she made them feel that they are part of her journey. I know that every one of our delegates will be tuning into the Paralympics to watch Jessica and will feel that they have a personal interest in her events. We will all be rooting for her.

### - Local Government Managers Australia Queensland

Thanks to our I Support Women in Sport (ISWIS) campaign, I crossed paths with this inspiring, driven, vivacious and smart woman about five years ago. While I'm impressed with her sporting and education achievements, I've been even more impressed by her off-field performance. She is the utmost professional. She was the keynote speaker at our 2014 ISWIS Awards' night and she was absolutely fantastic - well-prepared, interesting and had the room riveted the entire time she was on stage. I look forward to working with this fantastic woman in the future (and not just because she goes for the same footy team. Go Geelong!).

- "Having Jess Gallagher come and speak to 1,000 secondary students at The National Young Leaders Day in 2014 was such a privilege. She followed and understood the brief exactly and was engaging, inspiring, personable and a great communicator. The students submit a survey at the end of the event and Jess was voted as favourite speaker for the day! She was extremely easy to work with in the lead up to the event and I wouldn't hesitate having her come again.
