

Leading Comic Entertainer & MC

Vince Sorrenti is one of Australia's most successful and beloved comedians. For over three decades, he has been the entertainer of choice at the country's biggest corporate, sporting, political, charity, and social events, performing at over 200 functions each year.

A true master of the stage, Vince is Australia's most in-demand keynote speaker, entertainer, and Master of Ceremonies. His infectious energy, sharp wit, and irreverent yet insightful humour have made him a standout performer across all formats.

An Architecture graduate from the University of Sydney, Vince was part of the comedy revolution in the 1980s that redefined stand-up in Australia. While many of his contemporaries have moved on from live performance, Vince remains a dominant force on stage, year after year.

His television and radio career spans decades, with appearances ranging from Hey Hey It's Saturday and Celebrity Apprentice to Studio 10 and Helloworld Travel Show, where he reported from iconic global locations like Italy, France, Dubai, and Queenstown. He even hosted his own show on MTV in the USA.

Vince is also a talented writer and filmmaker, earning \$3.5 million in FFC funding for his feature film *Gino*, and receiving critical praise for his environmental documentary *No Laughing Matter*, in which he also starred. His articles and editorials have been published in Australia's leading newspapers and magazines.

Despite his media success, Vince's true passion remains live performance. He has entertained everyone from Hollywood celebrities and sporting legends to national leaders and industry giants. Many of his clients rebook him year after year, with some prestigious events — like the DEA Awards and the Annual Posh Ball — engaging him for more than two decades running.

In 2023–24, Vince returned to public touring with his hit show *I'm Offended*, selling out Sydney's iconic State Theatre. In 2025, he continues to dominate the entertainment scene — from corporate galas and Lions Tour events to private gigs for the elite and his acclaimed live shows across the club circuit.

Whether it's on stage, on screen, or on the page, Vince Sorrenti is a national treasure — always current, always hilarious, and always in demand.

<sup>44</sup> My objective was to raise the profile of the awards and with your help we appear to have accomplished that...your polished performance and your ability turned what could have been a boring evening into a very entertaining time for all, especially the sponsors, who have all agreed to come back next year.

<sup>44</sup> Can you please personally thank Vince for stealing the show, he was amazing last night. I have worked here for almost 8 years and have dealt with a lot of entertainers and he was so professional and friendly to deal with. Vince arrived early to work out the room which was hard as a lot of older people and he worked out the crowd quickly and won them over ... We have had such great feedback from the night and that is due to Vince's performance.
