

Colin Lane

Comedian & MC

As the 'Lano' from Lano & Woodley, Colin Lane is one half of Australia's favourite comedy duo. They won comedy's highest honour, the Perrier Award, and their series The Adventures of Lano & Woodley played in more than 30 countries.

Colin is a regular on a wide variety of TV shows, including Spicks and Specks, Good News Week, The Project and UK's favourite panel show, QI. In the early 2010s Colin served as the host of Channel 10's iconic cooking competition, Ready Steady Cook.

Recently Colin's divided his time between the theatre as Black Stache in Peter and the Starcatcher and alongside his great mate of 30 years David Hobson as part of their show, "In Tails". By popular demand, Colin and David have turned their hilarious comedy opera mashup into a 30 minute corporate spectacular.
