“ Lehmo is to be congratulated for his preparation and delivery as it resulted in a super gig and we had lots of positive feedback from a potentially tough audience. At a charity golf day there was nothing below par in Lehmo's performance! We greatly appreciate his support for our Foundation and do not take this for granted. He will do us any day.

- *McGuinness McDermott Foundation*

“ I have been meaning to email you all day to thank both you and Lehmo. I'm pretty sure it was the most successful event in the 2 years the Committee has been organising these functions in terms of numbers attending, and we received lots of positive feedback afterwards. I think all of us could relate to some of the things Lehmo dreaded about being a “professional”, which made the talk relevant as well as very funny.
