

# Lehmo

## Corporate Comedian, MC, Facilitator and Keynote Speaker

Lehmo has fast become one of Australia's most soughtafter corporate comedians. With years of experience performing stand-up comedy, live ty, radio and acting plus his naturally positive demeanour, professionalism and high energy place him perfectly to take your corporate event to the next level.

He has hosted and performed at corporate events from conferences, awards nights, gala dinners, sportsman's nights, charity fundraisers - and he always walks away having taken the event to another level and with the client raving about his contribution.

He has spent years earning an outstanding reputation as a comedian and broadcaster.

Lehmo has headlined comedy rooms around the world for the last 20 plus years and performed at countless fringe and comedy festivals. He has also earned a reputation as Australia's number 1 "combat comic" having performed for our troops in the Middle East and East Timor on eight occasions.

## Lehmo Talks About:

- His career move from full time accountant to full time comedian
- A comedic look at how the tv show Utopia could solve your problems
- His completion of the Melbourne half marathon and the Kokoda track whilst managing serious injuries
- Dealing with constant rejection in the modern social media world

### **Testimonials**

"Lehmo was approachable, professional and entertaining. Nothing was too much trouble for him, he even took on a last minute request without any hesitation. His content and engagement with the crowd was perfectly suited to the demographic of the room and the crowd loved him.

### - Civil Contractors Federation Victoria

- Lehmo was wonderful! Great to work with him again, and SLSQ loved him the night was perfectly balanced, on time, and with the right amount of humour and audience connection. Looking forward to working with Lehmo again!
- Surf Live Saving Queensland
- "Lehmo was perfect for our event. Everything about his presentation was exactly what we were after.
- Oatlands Secondary College
- "From the outset, Lehmo was accommodating, easy to work with and selfless. It was clear that our needs were the priority, and this was evident in the research he'd obviously done on our industry and the additional elements added to the script. He held the room wonderfully and made every one of the 1,100 guests feel important and welcome.
