“ With our tour of Afghanistan this year we went all out to make it an event they would not forget. Your show as unbelievable - the boys loved it and we appreciate the efforts you made to travel all the way to Darwin just to entertain the troops of 5 RAR. You have made your mark with the 5 RAR diggers and we will be looking forward to seeing you again in the future. Keep in touch and let me know what we can do to offer our appreciation of a great live show performance.

“ Steven Spellmaster performed at the GMK Partners social club function, it was a small crowd, no more than 40 people and I didn't expect many people to volunteer to go under. I'd been searching for a good hypnotist for a while and when I told other hypnotists my concern over the small group number and possible lack of participants they had no confidence in making a show of it and practically flat out refused to perform for us! Steven was completely different. He was extremely confident that he could get people volunteering and even make the show hilarious with just 1 person hypnotised. On the night we ended up with 6 colleagues under hypnosis and it had the rest of us in tears from laughter! Steven knew we had to face each other at work the next day, so the things he made them do weren't too outrageous (who knew the quietest girls in our office could dance like Madonna!) but it was still hilarious. Everyone who attended has described it as the best function to date.

“ On behalf of the West Warrnambool CC just like to say a huge thank you for an absolute blast of a night! The feedback we have received has been overwhelming and the show you produced was sensational. From young to old generations everyone said how entertaining the show was

and the way you communicated to the audience and members on stage was first class! The club would have no hesitation in booking you again next year!

“ I go back to my past positions of Director of Sales and Marketing at Jupiters Casino Townsville plus General Manager of Townsville Basketball Inc and again say that yours is the funniest and most entertaining show I have seen. Having seen it several times I still have my sides splitting with laughter each and every time. It doesn't matter what position I hold I am always more than happy to recommend you and your show to anybody wanting an absolute magnificent night of fun and entertainment. At Camp Quality we say laughter is the best medicine. This being the case, you should hold a “doctorate in medicine” as your prescriptions are more than worthy of delivering that medicine. Again many thanks.
