

Three Waiters

Sophisticated Entertainment

Imagine if during your next function, a waiter bursts into song initiating thunderous applause...then promptly returns to his duties. A short time later, a second waiter joins in, resulting in a singing duel. Then a third waiter gate crashes, and the performance concludes in true a la 'Three Tenors' style!

Providing sophisticated, high quality entertainment, The Three Waiters involves three performers hoaxing and infiltrating your event as 'real' waiting staff. Giving no clue of what is to come, the performers subtly take the audience through an amusing, sophisticated show.

Taking away the seriousness often associated with opera and adding an element of fun, spontaneity and surprise, The Three Waiters' repertoire consists of arias made famous by the 'Three Tenors' along with well-known popular musical songs.

Tailored to client needs, The Three Waiters have proven equally successful with audiences ranging from football players and auto-mechanics to opera buffs, corporate executives and Heads of State.

The most successful corporate show in Australasia, The Three Waiters have performed more than 4000 shows in over 55 countries. Highlights have included debuting in Shanghai for Macquarie Bank, the Singapore Children's Society Dinner, the Hong Kong Cancer fund gala, the Australian Tourism Commission gala dinner in Phuket, the Cambodian International Business Club gala dinner at Raffles Hotel (Phnom Phenn) and a 'Sounds of Silence' dinner at Ayers Rock for Pacific Access.

Be it a dinner party of twelve guests or a ballroom of two thousand, the structure of the show along with the vast repertoire allows the performance to be easily customised to suit any requirements

Extremely popular, The Three Waiters' clients include American Express, AT&T, British Airways, Coca-Cola, DeutscheBank, Goldman Sachs, PriceWaterhouse Coopers, Dorchester London, NBC TV, Tiffanys and Singapore Airlines.

Whether it's an intimate gathering or a grand ballroom, The Three Waiters will entertain, amuse and delight your audience.
