Client testimonials

“ We host awards nights every year....when we heard about LIVE BAND KARAOKE we immediately booked. As a result we had the best Awards night ever.

- *Raine and Horne*

“ I have seen LBK on four separate occasions - one corporate at KPMG (350 people), one charity ball for Marist Youth Care (250), one Sydney Uni rugby club party (120), and one private birthday party (70) - and although crowd numbers and ages changed each time, the result was always the same. Great rock and roll, and fantastic fun for all the instant rock stars!
