"You guys are absolute superstars!! I am positive this was our best ball ever and a huge part of that is because you were perfect! From the National Anthem to Shout, the guests loved you. Please pass our thanks on to your team, not just from our team but also on behalf of all the guests on the night. Looking forward to working with you again!

"Thanks heaps for the great performance. You guys had everybody up and waving their arms for the whole time. I feel bad that we had to pull the plug ... they'd probably still be dancing!! You guys are great to work with and look forward to working with you again.
