Client testimonials

“ Wow! It doesn't get any better than a standing ovation from an AMP audience. All the delegate feedback rated Jonathon's presentation as the most outstanding presentation on the main plenary which is only fitting for a man who has made such a difference to so many disadvantaged lives and has forced a nation to look at the homeless and destitute through a fresh pair of eyes. Our production team really appreciated the amount of work that Jonathon was prepared to put in prior to the event to get it just right for this very critical audience. It's a powerful story that Jonathon tells, which needs to be told again and again and again. We have no hesitation in providing a personal reference to any client who is thinking of using Jonathon at one of their events.

“ Just a quick note to let you know that Jonathon was absolutely terrific at the Novartis conference. He went over and above the call of duty with his workshop which everyone absolutely loved. He had an exhausting trip from Hobart to Port Douglas and still spent about 3 hours on his speech and workshop. He certainly was a highlight and loved by all. He also spent a lot of time at the end mingling with guests and discussing the Choir at length.
